The AP is reporting that Harry Potter author J K Rowling has written an 800 word prequel to the amazing series. She is auctioning its copy for charity.

It will be auctioned at the "What's Your Story?" auction at Waterstone's flagship store in central London on June 10, along with 12 other card-sized works. The funds collected will go to English PEN, the writers' association, and the British charity Dyslexia Action. Copies of the cards will be collated into a book to be made available at the bookstore and online in August.

"From the prequel I am not working on &mdash; but that was fun!" Rowling stated.

I guess we'll have to wait till August to get our hands on the prequel then....
